THE UNIVERSITY OF CHICAGO

Highest of all in Leavening Power.—Largest U. S. Gov't Report.

Royal Baking Powder

ABSOLUTELY PURE

A divorce suit was filed in the County Court yesterday entitled Emma Parker vs. John Parker.

Mr. Emmet Goulet, a former student of Colorado College, and now of Aspen, was visiting Colorado Springs from yesterday.

Mr. Dave E. Wheeler, manager of John D. Keefe's "McFee of Dublin" company, was in the city arranging for the appearance of his attraction at the Opera House next Monday evening. Miss Agnes Randa, the well-known comic opera singer, is a member of the company this season.

Telegraph dispatches announce the death of the English actress, Rosina Vocea, which occurred at Portbury, England, on Monday. Miss Vocea played in this city in the fall, being one of the last times in which she appeared. At that time it was known that she was suffering from consumption and there was some talk of her leaving a cottage here for the winter. She was the wife of Cecil Gray and they had a number of friends here.

Coroner Yarlow was called to investigate the death of a young colored child named Bessie Grant, the daughter of a colored girl, Gussie Reed. The infant was taken sick Sunday and the family states that they sent for a doctor but could not find one. The child died yesterday morning without medical attendance, and the coroner after an examination decided that the death was the result of pneumonia.

The articles of incorporation of the Victor Consolidated Gold Mining and Milling company are on file, with a capital stock of \$2,000,000, shares of \$2 each, non-assessable. The board of directors for the first year of the existence will be W. G. Brown, A. E. Weber, Thos. L. Darby, J. J. Rogers and C. A. Weisman, with offices in Denver.

Mr. J. Arthur Conner returned from Chicago yesterday after a two weeks' stay. He says the camp never looked so well, and is really more prosperous and solid than ever before. Many wealthy capitalists of the region are coming in and investing large sums of money. Real estate is advancing rapidly, improved property commanding fancy prices. One 25-foot front section on Bennett avenue pays \$25 a month for the room. Last, but not least, the campaign is progressing like a green bayonet. The ore output is increasing in value the 100-foot, even proving much better than the 50-foot. They now have three cars shipped every day. The big new mining plant is nearly expected, and with a draw so close, Mr. Conner says that by the end of February they expect to be mining "large bodies of ore" with great emphasis on the adjective.

The annual certificate of the conclusion of the Cheyenne Home Mining company is published elsewhere in this paper. The capital stock is \$250,000, of which 60,000 shares are on the treasury. They owe a small amount of money, about \$300, and have placed 20,000 shares on the market to indicate the cost and make further developments for the purpose of shipping ore, and of the latter they have an immense quantity. Mr. J. B. Farrar is the secretary.

Strategic Entertaining.

"What a witty conversation! Mr. Eanover Square is. At the dinner he kept everybody laughing," said Charlie Boncopper to Pete Amstercam.

"He always does that. He has to keep the guests from noticing what a poor table he sets," replied Mr. Amstercam.—Texas Sittings.
